

Traitor's Gate

Detailed Drink Description: Inspired by the last confessions of a condemned villain and made in the style of the famous El Presidente, this nightcap strikes a rich, poignant and yet statesmanlike tone. The fulfilling blend of aged Caribbean Rums bring notes of caramel and coffee with hints of tropical fruit, nuts and a fine ever so slightly salty finish of dried herbs. Paired with a vintage blend of fortified wines to match, there is much for this final story to tell.
